

Reading Bowling Club

Members Privacy Notice

The data we collect is for bowling club purposes only and includes the registration of your name with the RCBBA and Bowls England. The data is stored electronically by all of our Captains, Team Managers, Secretaries and the Treasurer. You will receive emails with information about bowling club matches and events. Photographs of events may be taken and used in our promotional leaflet and may be used on our RBC website.

Your personal data will not be shared with other parties unless you have given your permission. For example, if you enter 'County' or 'London & Southern County' Competitions, your contact information will automatically be sent to the RCBBA or L&SC Secretaries and will become the responsibility of their Administrations.

When your membership has finished, your personal data which is held electronically will be deleted when no longer relevant. However, physical records (paper and display boards) of such things as attendance at meetings and honours are kept and form part of the documentation of our history.

If you wish to opt out of receiving emails you may do so at any time by informing the Club Secretary who will pass this information on to all other holders of electronic information.

(10th October 23)
